The Benefits of 100% Ownership in the UAE

Having full ownership means having the final say in every decision and enjoying all the financial rewards. It's the perfect foundation for growth, innovation, and long-term success.

Complete Control

No need for a local partner. You have full control over your business decisions and profits.

Global Market Access

Enjoy easy access to regional and international markets via world-class infrastructure and trade networks.

Tax-Friendly Environment

Enjoy 0% personal income tax and benefit from competitive corporate tax rates, with exemptions available in many Free Zones.

Easy Profit Repatriation

Send your profits back to your home country without restrictions or heavy taxation.

Set Up Your UAE Business in Just 6 Steps

From choosing your trade name to receiving your license, here's how Aeon Realty Services helps you start your business in the UAE quickly, legally, and with 100% ownership.

Choose Your Business Activity

Select from thousands of approved business activities based on your expertise and market goals.

Pick the Right Jurisdiction

Decide between Mainland, Free Zone, or Offshore based on your business needs and budget.

Reserve a Company Name

Select and register your unique business name following UAE naming conventions.

Submit the Documents

Provide required paperwork with guidance from our expert consultants.

Get Your Trade License

Receive your official business license, often in as little as 24 hours.

Open a Bank Account & Apply for Visa

Complete your setup with banking services and residency options for you and your family.

Comprehensive Business Setup Services

Everything you need to start, run, and grow your business in the UAE—under one roof with Aeon Realty Services.

Trade License Assistance

Expert guidance through the entire licensing process for all jurisdictions.

PRO Services

Handling all government-related paperwork and procedures efficiently.

VAT & Tax Consultancy

Ensuring compliance while maximizing available benefits and exemptions.

Golden Visa

Long-term residency options for qualified investors and entrepreneurs.

Visa & Immigration Support

Streamlined processing for all types of UAE residency visas.

Bank Account Opening Support

Facilitating relationships with UAE's leading financial institutions.

With 25+ years of industry experience and over 100 successful business formations, we simplify the process so you can focus on growth and profitability.

Let's Set Up Your UAE Business, The Easy Way

Over 100 businesses trust us. Let Aeon Realty Services help you set up your company with 100% ownership and zero hassle in the UAE.

With years of experience, we know how to fast-track your launch with complete transparency and end-to-end support.

"Aeon Realty Services is without doubt the leading formation expert in the UAE. Their advice is always helpful and they partner to provide suitable suggestions for our needs. The turnaround speeds of their services are very timely and allows our operation to run smoothly."
